

## October is National Breast Cancer Awareness Month

On Sunday, October 21, 2012 VOS CPAs, PLLC took part in the **American Cancer Society 2012 Making Strides** 5-Mile walk held at Jones Beach. It was an incredible experience. We were honored to be among the 64,000 people that rallied at this special event, raising an amazing \$3,150,000 in the fight to end breast cancer!

Almost everyone has been touched by breast cancer in some way. Today 1 of every 2 women newly diagnosed with breast cancer will reach out to the American Cancer Society for help and support. The donations raised will enable investment in groundbreaking breast cancer research, free information and services for women diagnosed with the disease, and access to mammograms for women who need them. Our donations will help more than 2.5 million breast cancer survivors celebrate another birthday this year!
